

CIVIL DEFENCE EXPECTS US TO TAKE CARE OF OUR PETS IN AN EMERGENCY.

You should prepare an **EVACUATION KIT** now.
Include the following:

IDENTIFICATION

Collar
ID tag
Microchip
NZCAR Registration
Health Record

SAFETY

Lead or chain
Carry Cage, Bag or Crate

FOOD/WATER

Bottled Water
Canned Food
Dry Food

TOILETING

Litter Tray
Litter
Poo/Disposal Bags

COMFORT

Bedding
Toys

HEALTH

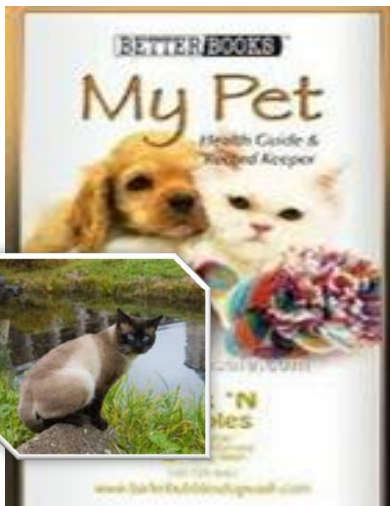

First Aid Kit
Medications
Prescription Diet

CAT EVACUATION KIT

Organising these few things into a bag to be kept with your cage now will help reduce time and stress in the event of an emergency or evacuation.

Easy alternatives can be made for most things so you can keep costs down. And as with our own emergency supplies, remember to rotate food, and change water at least once a year.
